Meet

Ed Rabel

Independent Candidate for the 2nd Congressional District

RabelforCongress.com

Come meet Ed, ask questions, tell him your concerns about West Virginia, enjoy tasty spring delights and visit with friends who care about the future of our state.

The Committee to Elect Ed Rabel to Congress is gathering the signatures necessary to add Ed's name to the ballot in November. We aim to shake up West Virginia's political status quo by injecting some straight talk and assertive action.

We know we face an uphill battle in this election. We need the support of people like you who love our state, want to preserve its precious environmental resources, diversify its economy, and call to account those whose greed has damaged West Virginia and her people for generations.

Directions:

Turn off 522 onto Mawani Village Lane [just south of the Bowlarama, just north of Dawson's] and go STRAIGHT, the bear LEFT [do NOT go to the right!]. Follow the road around to the second house on the right, with a yard full of young trees.
